

Eat What

You want of the food you need
Kodol will digest it.

You need a sufficient amount of good wholesome food and more than this you need to fully digest it.

Else you can't gain strength, nor can you strengthen your stomach if it is weak.

You must eat in order to live and maintain strength.

You must not diet, because the body requires that you eat a sufficient amount of food regularly.

But this food must be digested, and it must be digested thoroughly.

When the stomach can't do it, you must take something that will help the stomach.

The proper way to do is to eat what you want, and let Kodol digest the food.

Nothing else can do this. When the stomach is weak it needs help; you must help it by giving it rest, and Kodol will do that.

Our Guarantee

Go to your druggist today, and purchase a dollar bottle, and if you can honestly say, that you did not receive any benefits from it, after using the entire bottle, the druggist will refund your money to you without question or delay.

We will pay the druggist the price of the bottle purchased by you.

This offer applies to the large bottle only and to but one in a family.

We could not afford to make such an offer, unless we positively knew what Kodol will do for you.

It would bankrupt us.

The dollar bottle contains 2 1/2 times as much as the fifty cent bottle.

Kodol is made at the laboratories of E. C. DeWitt & Co., Chicago.

For Sale by all druggists.

Boonville Paper at Auction.

In Tuesday's issue of the Boonville Gazette, A. M. Clapp, the publisher, printed a lengthy statement in which he announced that the paper would suspend publication. He expressed regret at the untimely end of the paper and gave some of the reasons for the suspension. Under Mr. Clapp's management the Gazette, formerly the Democrat, was improved and seemed to be doing a fairly good business. It recently conducted a successful subscription contest, and in his statement Mr. Clapp promises to refund all money he has received on advance subscriptions.

The paper is now being issued by W. Gordon Knapp, who sold the by Messrs. W. F. Johnston and plant to Clapp last June, and now hold a chattel mortgage on the property. In Wednesday's issue they make a statement to the effect that the publication of the paper will be continued until December 1, when it will be sold to the highest bidder to satisfy the mortgage they now hold against it.—Bunceton Eagle.

If the St. Louis Republic, as the chief exponent of Democracy in Missouri would put a Democrat in charge of its Jefferson City news-bureau it would be doing a great service to its readers and to the party whose cause it champions. What Missouri Democrats want and what they need is a hustling, energetic, Democratic reporter located in Jefferson City who will write news as it is and who is not so wrapped up in his master, the governor, as to be oblivious to the fact that there are other state departments in charge of men whose official acts and utterances are perhaps a great deal nearer the popular idea of what is correct in the conduct of pub-

lie office than are those of the governor from Kansas. A glance at the press dispatches any day will convince the most casual observer that the Democratic state officials are not being given a square deal by the Republic's Jefferson City representative.—Johnson County Star.

The presence of Jacques Harvey law partner of Jim Reed, in St. Louis the other day at the meeting of Executive Committee of the State Democratic Central Committee, bearing as his credentials the proxy of Joe Shannon, confirms the statement that the white-winged dove at last hovers over the Democracy of Kansas City and Jackson County. Many Democrats feel that it means a reunited Democracy in this end of Missouri and that Jim Reed will leave his home city and County with a majority in excess of 15,000 in his race for the United States Senate.—Richmond Missourian.

There is a notable decrease in travel and settlement in Oklahoma on the part of the good people from some sections of cheap old Missouri. The lure of cheap land is a very attractive thing to younger men with small capital, but with corn selling at seventy-five cents per bushel it is but a question of a few years until any man willing to work may come in to possession of Missouri acres, than which there are none better in all the world.—Linn County Budget.

Walter L. Bales' friends will be glad to learn that he will not leave Odessa, but will in a few days open up a real estate and collection office here. It will be known as the Walter L. Bales Realty Co., and doubtless it will get its share of the business.—Odessa Democrat.

Mild Laxative for Baby Free

The child of today is the parent of the future, and whether it grows up healthy and strong, or puny and weak, depends upon the intelligence of its parents, for most children are born into the world healthy, but thousands become feeble weaklings between birth and the age of ten, when the parents are still in greatest control.

The prime cause of trouble is in the stomach. A baby that is digesting its food seldom cries and always looks cheerful; the little child whose stomach is good romps and plays and never whines; the growing child learns well at school and is eager for fun if its head is clear and its stomach light, and that means if it has no constipation.

The best and safest way to cure any irregularity of the stomach and bowels in children is by the use of Dr. Caldwell's Syrup Pepsin. This is a liquid laxative wonderful in its effect as Mrs. John W. Dunham, Apple Creek, O., Mrs. H. L. Cullum, Plainville, Ind., and numerous others can testify who give it to their children with extraordinary results.

A bottle only costs 50 cents or \$1 according to the size you want and even one 5-cent bottle will do a wonderful amount of good in a family. It can be given to any member of the family in constipation, sour stomach, indigestion, torpid liver, dyspepsia, heartburn, sick headache and similar digestive troubles. It never gripes or strangles like pills, tablets, salts and powders, which should not be given to children, women or old folks.

If you have a child or other member of the family who needs, but has never used this grand laxative tonic, send your name and address to the doctor and a free trial bottle will be sent to your home. In this way you can find out what it will do without personal expense.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 202 Caldwell bldg., Monticello, Ill.
